Topics

- 1. Road Map to Entrepreneurial Success- the Rajeev Way**

Profile of Mr. Rajeev Nair

Rajeev Nair

Rajeev Nair is born in Trivandrum district, Kerala state in the monsoon month June.

Early Years:

Spend his childhood with lot of engagement in sports, arts and games activities and championed .After 10th he joined St. Xavier's college for Undergraduate course with mathematics as main stream. The molding in St. Xavier's college made him to pursue B Tech in Electronics from Chandigarh. The Chandigarh days made him strong and enabled him to adapt any linguistic, regional & cultural situations.

The Professional:

The campus interview selection by a multinational made him THE FIRST TRAINED BARCODE PROFESSIONAL IN INDIA, and pursued the career at national capital NEW DELHI. Establishing BARCODE business at the lengths and breadth of India was the herculean task accomplished those days. Barcoding first shop in India, following one customer for 3 years, serving Kishore Biyani of Big bazaar, the retail king of India at his first 200 sq. feet small shop in Mumbai etc. were pleasant memories of those days.

The Entrepreneur:

The entrepreneurship within him made him to settle back to his favorite destination GOD'S OWN COUNTRY in 1996. He established STALLION SYSTEMS AND SOLUTIONS P LTD as company with national and international presence within short span of time. Currently operates at all major 16 cities of India, UAE and QATAR.
