How students should get prepared for jobs in Canada especially in the Banking and Financial sector.

Chitra Muralikrishnan is Director, Enterprise Risk at Royal Bank of Canada. She is responsible for the enterprise wide implementation of risk capital measurement and reporting of regulatory and economic capital. She is also responsible for implementing the risk capital allocations for performance measurement.

Chitra has been with RBC for 19 years and has worked in a variety of departments including Business, Finance, Treasury, and Risk Management. As a member of the bank's Basel II Program Management Office, she was a key contributor for the bank to get the AIRB regulatory approval. Currently, she heads the Capital Measurement & Analytics team responsible for the quarterly regulatory filing of the capital adequacy report. She is responsible for coordinating the Basel III quantitative impact studies at the enterprise level and leads the Basel III implementation for reporting.

Prior to joining RBC, Chitra was with Syndicate Bank, India for 7 years as a Senior Manager.

Chitra holds an MBA degree with specialization in Banking & Finance and is a CGA - Certified General Accountant of Canada.
